

Avalon becomes Relativity Premium Hosting Partner

28 February, 2012 – Avalon Document Services, an industry leader since 2000 in the litigation support world, announced today that it will be expanding its offerings to its clients through a partnership with kCura as a Relativity Premium Hosting Partner. The addition of this fully-featured, web-based e-discovery platform for review, analysis, and production will enhance Avalon's ability to provide its clients with best of breed technology as part of their end-to-end e-discovery solutions.

"The sheer volume of documents being reviewed in today's cases dictates the need for solutions that are vastly scalable, flexible, and easy to use. Those needs pointed us to one place: Relativity," said JP Midgley, CEO of Avalon Document Services.

The new offering of Relativity, added to Avalon's extensive current offerings, will help serve the company's mission of providing the most outstanding and cutting-edge services in the industry.

"We are excited to welcome Avalon as a Relativity Premium Hosting Partner," said Andrew Sieja, president and CEO of kCura. "We look forward to helping them deliver a great Relativity experience to their users."
