

Avalon Document Services and Peter M. Vito & Associates, Inc. Complete Strategic Partnership

Buffalo, N.Y., January 11, 2017 – Avalon Document Services and Peter M. Vito & Associates, Inc. announced today their strategic partnership. Avalon is a national provider of eDiscovery, digital forensics, litigation support, and managed services, which will support Peter M. Vito & Associates, Inc. in their large corporate investigations. In turn, Avalon's clients will have access to national private investigation services offered by Peter M. Vito & Associates, Inc.

Mike McCartney, President of DIGITS LLC – A Division of Avalon, worked alongside Pete Vito in law enforcement for two decades; combined, they have decades of experience in complex corporate and white collar crime investigations.

"We look forward to being able to combine our collective court recognized expert personnel and computer forensic services to Peter M. Vito & Associates, Inc. and the additional markets they serve. Combining the expertise of our two firms greatly enhances the service offerings and value to our collective clients and customers. Both companies are focused on assisting law firms and businesses with the hurdles associated with conducting complex investigations, obtaining and analyzing digital information and electronically stored information (ESI), and reconstructing accidents using today's most advance technology and trained and experienced personnel," states Mike McCartney.

Mike is a highly decorated, 22-year veteran member of the law enforcement community, having served as an Assistant Chief Investigator for the New York State Office of the Attorney General (NYSAG) and as an Asset Forfeiture Specialist for the United States Attorney's Office (USAO) for the Western District of New York.

Pete Vito has over 40 years of investigative experience in the public and private sectors. He retired as Commissioner of Erie County Central Police Services in 2012, is a former deputy sheriff and DA's investigator. In addition, Pete has been a New York State licensed private investigator for 37 years. "Our company regularly investigates multi-million dollar complex frauds and embezzlements. We conduct investigations throughout the United States and Canada with our investigative partners. We look forward to bringing our expert investigative services to Avalon and DIGITS, LLC and the clients they serve," says Pete Vito.

JP Midgley, CEO of Avalon Document Services, adds, "Our litigation and investigation support services continue to grow at a fast pace and this partnership will benefit both entities by expanding the high end expert services we both provide."

About Avalon Document Services

Avalon, a national leader in document services, was founded in 2000 in Syracuse, New York, and has experienced steady growth since then. Avalon provides eDiscovery, managed, and traditional litigation support services to law firms and corporations across the United States. In February 2016, Avalon merged with DIGITS, an information security consulting firm, formalizing a long-standing partnership.

DIGITS is now a division of Avalon and offers digital forensics and cyber security services to current clients. To learn more about Avalon please visit www.teamavalon.com.
